Directions from the airport (40 minutes – 32 km)

If you leave the parking at the airport, follow direction Santa Cruz / Los Llanos de Aridane.

Take exit 2A in the direction of LP2 to San Pedro / Los Llanos de Aridane (the sign is somewhat hidden behind a palm tree, the exit is quite suddenly).

At the roundabout take the 1st exit towards LP3 – Los Llanos de Aridane. The road meanders uphill until you reach the tunnel. On the other side of the tunnel, follow the LP3 down through the village of El Paso.

Attention: at the visitor center of the Parque Nacional Caldera de Taburiente, before you enter El Paso, there is a flashbox, you can only drive 50 km/hr.

Follow the LP3 further down, through El Paso. A bit later, you will pass the Clinica Dental dental practice (blue/white painted building) on the right-hand side.

At the roundabout take the 1st exit towards Los Llanos. Keep driving downhill, further on you will come to a roundabout again, take the exit towards Tazacorte. Then there is another roundabout, again follow the direction of Tazacorte. At the intersection a little further, DO NOT turn right towards Tazacorte Puerto/Tijarafe, but drive straight ahead to Tazacorte Pueblo.

You circle further down and enter Tazacorte Pueblo. At the roundabout near the square with the kiosko take $\frac{3}{4}$ around and follow the road. You pass real estate agency Katha on your right and a little further on the right, you will see a yellow-colored apartment building, called La Palmita. Our atico can be reached via the middle entrance, 16B. There are parking possibilities in front of the building.
